IEHA COMMUNICATION TREE

State President

State President-Elect

State Vice President

District Representatives

County Presidents

All District Representatives call: District Officers and County Presidents in their district.

County Presidents call: Club Presidents or Club Leadership Chairs, who in turn, call club members.

Send information by using a mass email for those with computer access or send information by US Mail to those without computer access so all will receive the same information.

PLEASE NOTE: Each district and each county should establish their own calling tree.

REMEMBER: Give the bill number and all important information. Members should form their own opinions in support or application of the bill and communicate their own feelings to their legislators.

Revised February 14, 2014

To strengthen families through continuing education, leadership development, and volunteer community support
