

HOME & FAMILY CONFERENCE REGISTRATION UPDATE

April 23, 2018

Many of you received the note below from Cathy Cook that was forwarded from Linda Gause concerning Conference Registration. Please help to get the following information to anyone who may have registered for Conference between April 16 and 21, 2018 and those who still plan to register.

Linda's postal service (mail) has been compromised and any registrations mailed during this time period may not reach her. Please follow the directives to complete your registration.

IF YOU SENT YOUR REGISTRATION BETWEEN APRIL 16-21:

1. Call Linda Gause at 812-327-7215 and tell her when your registration was sent. She will be able to tell you if she has received your registration and has your information in her database. Follow any instructions that Linda may give you to complete your registration. Contacting your bank may be required but do not do so until you talk to Linda.

IF YOU HAVE NOT YET SENT YOUR REGISTRATION:

1. Linda's zip code is 47403. It was incorrectly printed on the Conference registration form.
2. Contact Linda by phone or email and she will enter you in the Conference database.
3. Linda will instruct you when to mail your registration form and payment.
4. Registrations will not be considered late after May 1st and will not pay the additional fees.

Continue to encourage members to attend Home and Family Conference. This matter does not reflect the substance or mission of our Conference and the postal service will remedy the situation.

Thank you all, again, for your support of IEHA.

Sincerely,
Stephanie Jerabek, IEHA State President
Linda Gause, Conference Registrar
